Dawn,

I have discussed this with Ray and Stephanie and we just have one question: what is the amount that the CPG would deposit on or before May 7, 2013?

Subject: LPRSA RI/FS Trust - TMO Share

Sarah,

In follow-up to our call last week, below are the due dates of the RI/FS Trust Fund invoices that have or will be issued to Tierra, Maxus and Occidental (TMO) under the terms of the CPG's Organization Agreement. As indicated, the Group will not know whether Occidental will make its payment until June 12. In the meantime, we are continuing to encourage TMO to pay their share and would request that EPA do the same, as Occidental remains a signatory to the RI/FS AOC. If TMO does not pay, the Group members will have to raise funds to cover the TMO share. Accordingly, and in light of the timing, the Group requests an extension of time for payment of TMO's share into the RI/FS Trust until July 22.

The Group has already prepaid \$3.5M into the RI/FS Trust to date and will deposit the shares of all CPG members on or before May 7, 2013 in accordance with the Fifth Amendment to Trust Agreement. We believe these funds will be sufficient to cover RI/FS work until the full balance can be deposited.

- Invoice issued to Tierra on January 11 with a due date of February 11 - not paid
- Invoice issued to Maxus on February 28 with a due date of March 13 (i.e., 30 days of Tierra's non-payment) - not paid
- Invoice will be issued to Occidental on or before May 13 (i.e., 60 days of Maxus' non-payment) with a due date of June 12 - TBD
- If Occidental does not pay its share, invoices for the TMO share will be issued to the CPG members on June 13, with a due date of July 15 .
- A due date of July 22 allows the CPG an additional week to collect any outstanding invoices and make the transfer into the RI/FS Trust.

Please let us know if you have any questions or wish to discuss. Thank you for your consideration.
